

## Jigsaw PSHE & SRE

We use the scheme 'Jigsaw' to teach Personal, Social and Health Education (PSHE). The teaching of Sex and Relationship Education (SRE) is through the 'Changing Me' puzzle/unit.

Following consultation with staff, we have adapted some of the content so that it is more appropriate to the age of the children. This is set out in the table below. No content has been moved down; just some has been moved up to the next year group for KS2. The changes are minimal and the children will be taught the majority of the existing content for their year group.
