

This is what the pupils in Key Stage 2 enjoy about Jigsaw lessons (pupil voice).

The calm chime helps you to go to your calm place.

I enjoyed 'Celebrating Differences' because we learn that we are all different!

Jigsaw Jino (Year 3)

I enjoyed 'Dreams and Goals' because it helped me to think that I can achieve my goals.

The 'Connect us' games get us all talking!

I like that everyone can have a go at Jigsaw because there is often not a right or wrong answer.
