How to contact School

To report an absence please call the school office on: 0161 980 8338 or directly dojo message the class teacher before 8:45am

To talk to your child's class teacher please be aware that during school hours teachers will be teaching and a message may need to be left for a returned call at a later date.

Alternatively a private message can be sent on Class Dojo directly to your child's class teacher.

Class Dojo

What is it?

Class Dojo is a school communication platform that we use daily to build the relationship between home and school by sharing what is being learned in the classroom. We encourage you to also share children's home experiences here also. This is a private platform that only classmates and teachers can access, it is not a public forum.

How do I access this?

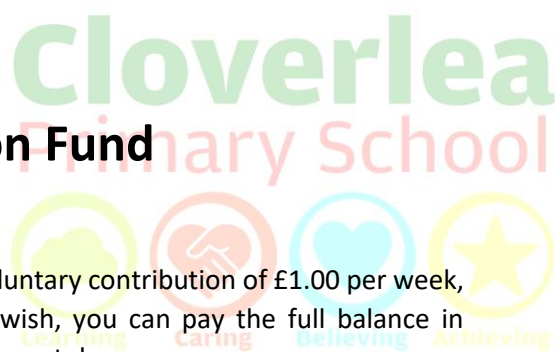

You will be invited by your child's class teacher via printout in your pack.

How can I share my child's Wow moments?

You child will have a profile of their own where they can earn rewards from school staff whilst in school and this supports our school values. Through this profile you will be able to upload special moments and achievements to be shared with their class

Nursery and Reception Fund

To enhance the learning of the curriculum we ask parents for a voluntary contribution of £1.00 per week, which is payable at the beginning of each half term or if you wish, you can pay the full balance in September when your child starts. You will be informed of the amount due.

The money collected will help buy items such as ingredients to make play dough, or items for cooking, topic enhancements and equipment needed. In the past we have purchased items such as new books or creative resources to enhance the topics and even organized special events and visitors.

Thank you for your support.

When you join us in September you will walk down the school path to bring your child directly to their class door. Here a member of staff will greet you and help your child with their belongings within the classroom to start the day.

At the end of your child's school day please wait outside your child's classroom, where you dropped them off in the morning. A member of staff will dismiss the children safely, one at a time, to their designated adult.

In **January**, the **Reception** children will be required to walk from the school gate to their classroom door independently. There will be school staff positioned down the path to support where needed. Further information will be sent out nearer to the time.
