

Nursery Application Form

Applications for admission to the Nursery class are carefully considered by the Head of the school, the Governors and the Nursery staff. As it is likely that more applications will be received than there are places available, priority will be given to certain children. Copies of the written Nursery Admissions Policy are available on request. This policy is updated annually by the Governing Body.

Please note that this form needs to be filled in with the correct information. Any irregularities found may result in the withdrawal of an offer of a place.

We have been advised by the Department for Education that some additional information is required for the school's records. The information gathered has a direct impact on the amount of money schools receive as part of their School Budget.

I would be grateful if you would answer the points below, making sure you have read and understood the explanation, and return it with your child's nursery application form.

IMPORTANT INFORMATION FOR PARENTS OF NURSERY CHILDREN

Dear Parents

If you think you are entitled to 30 hours free childcare when your child will start nursery we would advise to commence your application for this as soon as possible as we will require the code on the success of an application.

The web-site is <https://www.gov.uk/30-hours-free-childcare>.

Eligible parents must generate a code and these details should be given to the school. The school has this code verified with Trafford's Early Years Team in order to secure funding.

It is recommended that you make your initial application for a code as soon as possible, as this can take some time to receive, and if unable to produce a code for the commencement of nursery you would be required to pay any additional costs above the 15 hour free provision, or reduce the hours requested for nursery for your child.

You need to apply for the code every three months and, after the initial application, you will receive reminders to do this before the previous code runs out. If a code is not obtained, or renewed, you may be liable for further payment for a place following the schools checks.

Please do not hesitate to contact Mrs Sykes or Mrs Moss in the school office should you require any further information.

Yours sincerely

Mrs Sykes
