

23<sup>rd</sup> May 2025

Dear Parents and Carers,

I appreciate this half term has only been a short one but I want to acknowledge how hard our children have worked during this time, in particular well done to the Year 6 class for completing their SATs. They all came together that week and offered each other great support, which was lovely to see.

This half term EYFS have had an exciting adventure to a new location, with their Z Arts trip and KS2 pupils have been partaking in a variety of sporting activities, like cricket and lacrosse. Year 2 were also led by our Year 5 sports leaders (along with those from other schools) for a morning of various PE activities, which the children thoroughly enjoyed taking part in and leading.

The additions to the school library continues to grow from birthday book donations and other parent donations, we thank you for your contributions as it helps to give our children a continual update of titles to choose.

I am eagerly looking forward to the second part of our summer term, which begins on **Monday 9<sup>th</sup> June**. There will be lots to look forward to during the next half term, with the residential, our Year 6 production and a variety of class trips and sports days.

As always, thank you for your unwavering support, I hope you have a restful break.

Kind regards,

*C McConnell*
