Telephone – 0161-291-0545

Website – www.beanstalkschildcare.co.uk

Dear Parent/Carer,

Beanstalks provide Wraparound Care on your school site!

We operate out of Cloverlea, Coppice Pre-School, Tyntesfield and Woodheys Schools and strive to provide outstanding care across the board.

We have an amazing team of highly experienced and qualified staff to give your little ones that home-from-home feeling whilst at Beanstalks!

We provide a nutritious breakfast during our morning club and a healthy snack after-school. Please see our website for more details on these. (www.beanstalkschildcare.co.uk)

Our pricing is as follows:

Breakfast Club - £7.50

After-School Club - £14.50

We use a platform application called Famly for all of our communication and invoicing correspondence.

We also update our newsfeeds regularly to demonstrate the calibre of activities we participate in during our sessions. It's really nice for our parents to be able to access this information 24/7 and has helped us greatly over the last few years, to maintain parent/practitioner relationships, where face-to-face communication hasn't always been possible.

If you need any further information please feel free to contact us during school hours at the office, or email at any time.

We look forward to meeting you all.

Warm Regards,

Beanstalks Senior Management Team
