

Show and Tell – Spring Term 2023

Each term in Year 1 the children have the opportunity to bring in or talk about something during our Show and Tell session on **Tuesdays**. This is an important part of Speaking and Listening and helps to contribute to our English curriculum. The children really enjoy learning about each other's interests (as do I) and it helps to build confidence.

Some ideas! 'Show and Tell' may be based on information about special events, outings or hobbies. They may also share recent personal achievements such as swimming, football, dancing awards, etc.

If you wish to send in photos or a PowerPoint, please could you send them to the school's email address at cloverleaprim.admin@trafford.gov.uk

Please send 'Show and Tells' on the allocated date. They will take place at some time during that week if Tuesday is busy. Here is a rota showing your child's time for 'Show and Tell'.

Many thanks,
Mrs Harris
