I would like to encourage the children to participate in Show and Tell through information being sent via email and/or bringing small items into school.

On the days before your child's allocated session, please can you email a photograph or small presentation of something your child would like to talk about to the school's email address [cloverleaprim.admin@trafford.gov.uk](mailto:cloverleaprim.admin@trafford.gov.uk)

'Show and Tell' may be based on information about special events, outings or hobbies. They may also be used to share recent personal achievements such as swimming, football, dancing awards, etc. Between two and five minutes is adequate at this stage, but think carefully about what you want to say!

Please help your child to prepare for their 'Show and Tell' slot. If possible, try to avoid a fully pre-prepared script. Do let me know if you have any queries or concerns.

Yours sincerely

Mrs S Brogan
